

***Congratulations Diablo View Veterinary Medical Hospital, your neighbors love you!***

You're a 2021 Neighborhood Favorite, and in honor of Neighbor Month, we are sending you a sticker to let all your neighbors know. Show off the round sticker in your shop window (or wherever it makes sense) and place the smaller sticker by your register.

These stickers include QR codes that your customers can scan, find your business page and make recommendations. Word-of-mouth recommendations on Nextdoor are an easy way to grow your business.

Local businesses like yours are the heart of our neighborhoods. Celebrate your recognition with a post on Nextdoor using #LoveYourNeighborhood, and we will help share the good news.

Congratulations,

A handwritten signature in black ink that reads 'Sarah Friar'.

Sarah Friar, Nextdoor CEO
